

# TAURUS SITE

## DUAL VOLTAGE SITE BULKHEADS STANDALONE OR WITH FLEX, JUNCTION BOX & MOUNTING BRACKET

Taurus Site is a range of sleek profile dual voltage bulkheads. Designed for use on construction site hoardings and general lighting, the range features opal and frosted clear or red diffusers. Extra deep prismatic clear or red diffusers, plus a smart black trim offer additional choice. For ease of installation the Taurus Site range now has the Red & Clear fittings with prewired 1 metre flex & junction box plus mounting brackets.

### Features

- New sleek profile design
- Dual supply voltage 110/240V for versatility
- Optional trim and prismatic red or clear diffusers

### Specification
