CheckFire GROUP

DataSheet

Market-leading Commander® has something new to offer – CommanderEDGE. BS EN3 Kitemark approved across the range, this range has become the choice of the professional, with a reassuring mixture of performance, quality and value. The range includes Water, Foam, CO_2 and Powder models and offers solutions for almost all situations. The internationally-recognised BS Kitemark is assurance of dependable design and manufacture.

MULTICHEM FIRE EXTINGUISHERS

For an innovative fire-fighting solution, choose the latest in high-performance multi-class extinguishers. MultiCHEM is an ABF-rated extinguisher ideal for flammable liquid fires involving large quantities of a fuel and a big surface area. But it's also suitable for deep fat fryer fires too. The extinguisher's 34A rating – the industry's highest for a 6 litre extinguisher – means that it's capable of tackling a sizeable fire even in the hands of untrained person. This groundbreaking extinguisher is also available in 2 and 3 litre sizes, as well as unique with aesthetically pleasing finishes, to perfectly tailor to your needs.
