

FESTOON

110V EXTENDABLE FESTOONS

Our Connectable Festoon Kit range now includes 12m, 22m and 50m lengths. All kits use our unique connector and can be joined in any combination, up to a total length of 150m. This makes extending the festoon on site simple and easy, saving time and money.

Features

- Extends festoons quickly and easily, up to a maximum combined length of 150m, adhering to BSI Standards
- Avoids handling heavy, cumbersome festoons - simply link shorter and lighter kits together
- Unique Y-splitter cable for easy configuration, available to order separately
- Starter cable with pre-wired 110V 16A plug
- New - 25W Emergency Battery Back up Pack compatible with our Connectable Festoon Kits (recommended 1 kit per 50m length or less)
